

Katoomba RSL Covid-19 Management Plan and Conditions

Please note that as of the 23rd June 2020, we will be following safety guidelines, and expect that all members, guests and visitors comply to the required procedures also;

- Every person in the Club must sign in and out for contact tracing purposes.
- Members are to swipe membership cards as visitors and guests sign in and out at reception.
- We encourage all members, guests and visitors to download the COVIDSAFE app.

Furniture, floor stickers and signage have been positioned throughout the club to help members, guests and visitors stay at least 1.5 meters apart (household groups excepted) – please follow these indicators when in our venue, as well as directions from our COVID-SAFE marshals.

Gaming machines turned on have been separated 1.5 meters. All gaming machine players must be seated.

Members, guests and visitors, that are in different existing seated food or drink areas should not co-mingle to other areas.

Take personal action to reduce exposures and stay healthy

The most important action is to practice good hand hygiene.

Take the following steps to reduce your exposure and chances of getting ill with COVID-19:

- Wash your hands often with soap for at least 20 seconds, especially after you have been in a public place, or after blowing your nose, coughing, or sneezing. If soap and water are not readily available, use the hand sanitiser provided.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cover your nose and mouth with a tissue when you cough or sneeze, throw soiled tissues in the bin and clean your hands with soap and water or sanitiser. If you do not have a tissue, cover your sneeze or cough with your elbow.
- Stay home if you are sick and do not expose others. If you are unwell with flu-like symptoms, do not go outside your property or home, do not go to work, school, shops unless it is essential.
- All members, guests, visitors, and staff who are unwell will be excluded from the premises.
