THE BEST OF
ARJ BARKER
POWER HOUR

What do you get when you take your very best jokes from over the last 30 years, lovingly restore, refine, and remaster each one, jam them all into a single hour, and finally, sprinkle in some brand-new material and hint of improv? You get the best of Arj Barker. Also known as... Power Hour. All kill no fill! Arguably Australia's favourite American comedian, in recent years Arj Barker has spent more time in our country than his own and has come to understand our culture perhaps better than we understand it ourselves. In his home country (well, country of birth at least), Arj has appeared regularly as a guest on many popular shows including those hosted by David Letterman, Jay Leno, Conan O'Brian, Jimmy Kimmel, and Bill Maher.
