Presidents Report

Welcome to the latest edition of the Katoomba RSL All Services Club Newsletter

I can report to members that the Club is in a sound financial position.

This financial position is a result of good governance of the Club's finances and operations and the tireless efforts of Management and Staff.

The Club is continuing to trade successfully and expand its ties with local businesses and the community. The Club supports and has close contact with many sporting, charitable, and community organisations.

The Club now operates the Red Poppy Brasserie which has resulted in more employment opportunities for local residents and importantly, operates at a profit.

The Club's Function Centre has established itself as one of the very few locations in the Upper Blue Mountains that provides a high-quality venue that can accommodate to a very high standard fully catered events for over 300 table seated people.

This flexible Function Centre also provides theatre seating events for up to 450 patrons

and can be quickly converted to hold several smaller functions at the same time.

In conjunction with Katoomba RSL Sub-Branch, the Club hosted a very special and successful ANZAC Day 2023. My thanks to those members of the Katoomba RSL Sub-Branch and also to the great efforts of the Club CEO Nick Darias and his staff.

The Club and the hospitality industry in general, has faced many challenges recently of which Covid still impacts operations and also to the future proposed changes in legislation covering the club industry.

The Board of the Club considers that with these proposed changes, it is well placed to continue to operate a successful club for its members and the community.

The Board of the Club acknowledges that the success of the club is due to the loyalty of Club Members and the efforts of Management and Staff.
